- ***Hot Transfers***

- ⇒ Many companies can conference or transfer calls. Our *Foresite*[™] system enables us to truly integrate our calling data with your lead management system, while simultaneously delivering a live and interested prospect to your sales person. Our technical capabilities are unmatched.

- ***Insurance Licensing***

- ⇒ While many lead generation programs don't require any licensing, we do have licensing in life and health insurance.

- ***Today's marketing lists are valuable and precious. That's why Today, there's only one source... INFORMED SOURCES®***
